Southern California Apprenticeship Cement Masons Program

Visit: www.cmscapprentice.org

* A California State & U.S. Department of Labor Accredited Apprenticeship *

Union Cement Masons apprentices come from all walks of life. Some went to college, others did not. Some changed careers to make a better future for themselves and their families. Some want to learn special building skills while others want to help build Southern California. Most apprentices simply want a good paying career.

FOR MORE INFORMATION VISIT: www.cmscapprentice.org

The Southern California Cement Masons Apprenticeship Program offers the highest quality skills training for men and women to be among the world's best Union Cement Masons. You can earn while you learn as an apprentice being hired by a signatory contractor while continuing apprenticeship training.

Union Cement Masons projects are displayed throughout Southern California and are a testament to their quality of training, skills and craftsmanship.

Become Part of the Team

A job site may consist of many trades crafts people, and each trade works together as a team in conjunction with all the others.
